Dear Sir or Madam:

During the last two and one-half years I have been working on a project supported by funds from The Council. The promising data accumulated so far prompted me to prepare a new grant application which I would like to submit for the January 1, 1987 deadline. I would, thus, appreciate receiving the application forms and any instructions you may deem necessary.

Thanking you in advance.

Sincerely,

Ivan Damjanov, M.D., Ph.D.
Professor of Pathology
